DoIT

Functional Area I - Desktop, Laptops, Ruggedized Laptops and Associated Peripherals

This includes, but is not limited to the following brand or generic name equipment: desktops, laptops, ruggedized laptops, monitors and peripherals.

Lenovo

TOSHIBA
Leading Innovation >>>

Functional Area II - Tablets, Ruggedized Tablets and Associated Peripherals

This includes, but is not limited to the following brand or generic name equipment: tablets, ruggedized tablets and monitors.

Lenovo

TOSHIBA
Leading Innovation >>>

Functional Area III - Installation Services

Installation services will be defined at the PORFP level and may include but are not limited to:

- ◆ Basic engineering services
- ◆ Preloading of agency software
- ◆ Installation of hardware
- ◆ Installation of the equipment that requires product specific technical expertise

Functional Area IV - Manufacturer's Extended Warranty

Manufacturer's extended warranty service may be purchased in conjunction with or separately from Functional Areas I and II at any time. Manufacturer's extended warranty service shall include, but is not limited to: Electronic media and consulting services, direct access to experienced consultants of the hardware, flexible service options including phone or e-mail support, timely problem resolutions, remote technical support, online self-help functions, and on site warranty.

The Maryland **Department of Information Technology (DoIT)** has policy responsibility for information technology matters across state agencies. County, municipal, other State non-executive branch entities, and non-State governments or agencies may purchase from the contractor goods or services covered by this Contract at the same maximum prices to which the State would be subject under the resulting Contract.

En-Net strives to provide quality products and services at exceptional values!
Your dedicated account manager can assist with the utilization of DoIT!
